

CleverDRY

A real crowd pleaser! The CleverDRY will allow you to adjust the volume, airspeed and temperature to fully suit you or your clients' exact specifications. It's never too loud, too fast or too cold. You can make sure it's just right! Once you are happy with all settings, pop on the steel cover and no one can change them.

Performance

Drying time (Max Setting)	10 - 12 seconds
Drying time (Min Setting)	15 – 20 seconds
Motor speed (Max Setting)	22,000 rpm
Motor speed (Min Setting)	27,000 rpm
