

Super Pro

A hand dryer that is built to last! With a 304 Stainless Steel cover and backplate as well as a super low profile of just 10cm this dryer stands the test of time. Once more, with its digital brushless motor it can handle very high amounts of usage and deliver 100 dries for around 1 penny in electricity usage. Equipped with germ killing HEPA filter and internal UV-C technology you will be hard pressed to find a dryer that can match up to this impressive specification.
