

Shogun

Our smallest 'hands in' style dryer. With its water collection tray wave goodbye to puddles on the floor! Constructed with a robust aluminium outer shell the Shogun will look great for many Years. Taking hands from wet to dry in a very respectable 13-16 seconds its a great choice for smaller washrooms. Once more, it even has a hidden water collection tray meaning no puddles on the floor!

Performance

Drying time (Max Setting)	13 - 16 seconds
Motor speed	26,500 rpm
Air speed	110 meters per second
Adjustable Heating	Auto adjusts
