

HD360B AUTOMATIC HAND DRYER WITH 360° SWIVEL

Using Infra-red technology the HD360B powers up as soon as hands are detected and shuts down as soon as they are removed giving zero idle time. Perfect for reducing electricity bills as well as carbon foot print.

Dry hands (or face) in as little as 12 seconds. At just 70db this is also one of the quietest hand dryers in its class. A perfect all-rounder that would look great in any washroom!
