Useful Information

We are very excited to bring to you one of our latest editions. Technology advances Year upon Year and so do our hand dryers. Ideal for washrooms where space is at a premium. The Jet Blade Pro is just 99mm in depth making it one of the most un intrusive hand dryers available in the World. Its single jet blade will scrape water from your hands in seconds and will cost the average business under £5 per Year in running costs!

In the Box: 1 X Jet Blade Pro Hand Dryer, Screws and Wall Plugs, User Manual
